Atal Hindi University

The establishment of Atal Bihari Vajpayee Hindi University is gift of nation whose national language is Hindi. It is a very apt decision to name it on Mr. Atal Bihari Vajpayee. The nation with a sense of gratitude and reverence remembers that for the first time Mr. Vajpayee as Prime Minister of India addressed the United Nations General Assembly in Hindi. With the emergence and prominence of India as an Asian Power and an economic force in many countries, Hindi is being taught in many countries.

The Hindi University of Madhya Pradesh will be nucleus to all institution by imparting education at the highest level in Hindi medium. Uptill now it is considered that higher education is not available in Hindi. The Hindi text books of that level of education also not available. The Hindi University will give fillip to such shortcomings and Hindi medium education will be available upto highest level. The Chief Minister Mr. Shivraj Singh Chouhan has given a yeoman service to Hindi and Nation.
